Self Esteem Enhancement

A Community Service Program

Designed For Elementary Age Children

Now you can support your child's healthy growth and development at no cost by pre-enrolling them in this exciting and valuable **five-week program** made possible by your local sponsors.

Pre-enrollment is limited and closes when available class spaces are filled.

Your child will achieve impressive results in only five weeks with your support and that of the internationally certified instructor. Each week your child will learn a new self-esteem building behavior that will be positively reinforced in the following week's class.
